European Chamber of Commerce in Myanmar

CALL FOR PROPOSAL
Web development services for EuroCham Myanmar website

Terms of Reference
30 January 2020

I. Background

EuroCham Myanmar is a project funded and endorsed by the European Union. Its mission is to promote the development of trade, commerce and investment between Europe and Myanmar, and to assist European companies, in particular SMEs, in doing business in Myanmar.

The website of Eurocham Myanmar, www.eurocham-myanmar.org, has been existing for 4 years. The content updates (news, events, gallery, sliding banners, new partners logos etc…) is managed daily by the internal team through the back office.

II. Expected deliverables

EuroCham Myanmar is looking for a web development company to provide assistance:
- for website enhancements tasks (features updates)
- for troubleshooting when bugs occur.

The estimation of web management hours is between 4 to 15 hours/month.

- Estimated starting date: 17th February 2020.

The interested service provider will provide a quote for an hourly rate support and if possible, a package when the monthly hours exceed 10 hours/month. The response time and resolve time (from the moment the client submits a support request) should be also mentioned.

III. Application Deadline

Consultants are invited to demonstrate their interest by submitting a quotation no later than 6th February 2020 COB to marketing@eurocham-myanmar.org.
