Order 155/2020

26 December 2020

\*Unofficial Translation by EuroCham Myanmar\*

The Ministry of Health and Sports has issued this order in line with provisions stipulated in Section 21 (b) of the Prevention and Control of Communicable Diseases Law.

1. The Ministry is working around the clock for the prevention of the COVID-19 and had previously issued the Stay at Home Order 107/2020 on 29/09/2020 for all townships in Yangon Region, excluding CoCo Island Township.
2. However, number of confirmed patients was reduced in the last 14 days as people living in some townships in Yangon obey rules and directives in preventing the CoVID-19 spread; number of mass communal spread was reduced; during the stay at home period, people, organizations and respective authorities co-operated in health awareness raising; number of confirmed patients was reduced from close contacts of confirmed patients in the last 14 days; number of confirmed patients was reduced due to active participations of township administration authorities, public health authorities, associated departments and associations, volunteers and the public in prevention and control of COVID-19.
3. Hence, people living in Seikkyi/Khanaungto, Twantay and Kwangyangon townships, apart from the provided lists of wards/village tracts that still require for effective prevention, control and treatment of COVID-19, are now excluded from the Stay at Home Order, starting effectively at 8 am on 27/12/2020.

Signed

Dr. Myint Htwe
